

Imex Systems Inc. Intends Warrant Extension

October 30, 2017

TORONTO, ONTARIO--(Marketwired – Apr 17, 2017) - Imex Systems Inc. ("Imex" or the "Company") (TSX VENTURE: IMEX), a software solution provider to Governments, Municipalities and Public Authorities, is pleased to announce it intends to amend certain common share purchase warrants in the capital of the Company.

Each warrant shall remain exercisable at \$1.50 per share and the term shall be extended such that 1,823,364 warrants shall be amended to expire December 31, 2018.

The application to amend the Warrants is subject to its acceptance by the TSX Venture Exchange and the Company makes no assurances that the required acceptance for the extension of the term of the Warrants will be accepted.

About Imex Systems

Imex Systems Inc. is a Canadian software products, solutions and services provider to Governments, Municipalities and Public Authorities in Canada and internationally. Imex primarily focuses on the E-Government and Smart Cities market that include payments. It helps public sector entities to provide "Any Time, Any Where, Any Device and Any Channel" convenience for citizens to access government services and help with digital transformation of government operations and streamline revenue. Imex's various product and service offerings include: **iGov** – a Digital Government Platform for all levels of governments, which provides all the pre-built components for building an effective Digital Government and supporting payment processing through multiple channels; **iCity** - a Smart City Solution; and **miGov** - a Mobile Government Framework.

Forward-Looking Statements

This news release contains certain "forward-looking information" within the meaning of applicable Canadian securities laws. Forward looking information includes, but is not limited to, statements, projections and estimates with respect to the adoption of the Company's various platforms by various jurisdictions and the future revenue of the Company. Any statements that involve discussions with

respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking information and are intended to identify forward-looking information. This forward-looking information is based on reasonable assumptions and estimates of management of the Company at the time it was made, and involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking information. Such factors include, among others: the need for approvals from the relevant government body; future capital needs and uncertainty of additional financing; the competitive nature of the industry; unproven markets for the Company's product offering; the need for the Company to manage its planned growth and expansion; the effects of product development and need for continued technology change; protection of proprietary rights; the effect of government regulation and compliance on the Company and the industry; network security risks; the ability of the Company to maintain properly working systems; use and storage of personal information and compliance with privacy laws; and those risks set out in the Company's public documents filed on www.sedar.com.

Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. The Company undertakes no obligation to revise or update any forward-looking information other than as required by law.

Neither the TSXV nor its Regulation Services Provider (as that term is defined in policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.
