

DLT Solutions Partners with Imex to Deliver Improved Oracle Forms Migration Assistance to the Public Sector

IMEX SYSTEMS INC. CREATES YET ANOTHER IMPORTANT RELATIONSHIP TO ADD TO ITS GROWING MOMENTUM

Herndon, Va. — Sept. 10, 2007 — DLT Solutions, Inc., a value-added reseller of industry-leading IT products and services, announces it will offer the Imex ORMIT product line to state, local and federal government agencies through a variety of procurement vehicles held by DLT, including the GSA Schedule (#GS-35F-4543G) contract. Imex ORMIT is the leading product from Imex Systems, Inc., a technology services company that delivers innovative and cost effective IT solutions to organizations across the globe.

"System migrations continue to be a way of life in the technical world and DLT understands that our customers have to migrate platforms quickly and efficiently without unnecessary expense," said Rick Marcotte, President & CEO of DLT Solutions. "With the addition of Imex Systems, and the ORMIT solution line to our portfolio, we are able to offer agencies of all sizes new ways to address migration challenges."

Imex Systems' Oracle upgrade and migration solutions help transform legacy applications into modernized, user-friendly solutions that are responsive to current and future business demands. These tools handle Oracle Forms to Oracle Forms migrations as well as Oracle Forms to Oracle ADF-Java migrations, Oracle Forms to generic J2EE migrations and Oracle Forms to Microsoft .Net migrations.

"As a leader in Oracle Migration technologies, Imex Systems, Inc. has long recognized the value of strategic partnerships," said Rohit Bhalla, Oracle Practice Head, Imex Systems. "DLT's sales team thoroughly understands the unique technology and procurement needs of government agencies and can use that knowledge to provide fast, flexible service for our customers."
