

## **Imex Systems Inc. to Showcase Automated Oracle Forms Migration Tool at Upcoming ODTUG Kaleidoscope 2008!**

**Mississauga, ON, May, 2008** – Imex Systems Inc. announced today its plan to participate in one of the largest Oracle user group conferences of the year, ODTUG Kaleidoscope 2008. Scheduled to take place June 15-19 in New Orleans, Louisiana, Kaleidoscope will provide Imex Systems Inc. with an ideal location to target one of its primary audiences, Oracle developers.

Imex Systems provides Oracle forms migration services, which makes ODTUG Kaleidoscope 2008 an excellent vehicle to showcase its automated oracle migration tools. “ODTUG welcomes Imex Systems to Kaleidoscope 2008. This year, the role of Kaleidoscope is critical, as developers face a drastically changing Oracle environment. Imex Systems’ participation is particularly relevant in the education and support of developers during this technological transition,” said John Jeunnette, ODTUG president.

Imex Systems Inc. is a sponsor and exhibitor at Kaleidoscope 2008 and will offer attendees a range of activities including:

- A vendor presentation, outlining the organization and the products and services that are provided,
- A real-time demonstration of the Oracle forms migration process using ORMIT, and
- The opportunity to speak one-on-one with our Oracle Forms Migration Specialists.
