

IMEX SYSTEMS TO INTRODUCE NEW FORMS TO JAVA MIGRATION TOOL AT UPCOMING ODTUG KALEIDOSCOPE USER CONFERENCE

Mississauga, ON - May, 29, 2007 – Imex Systems Inc, today announced plans to participate in one of the largest Oracle user group conferences of the year, Kaleidoscope 2007. The annual event is hosted by the Oracle Development Tools User Group (ODTUG), and will be held in Daytona Beach, Florida, June 18th through 21st.

Imex Systems provides Oracle Forms Migration and Update services, which makes ODTUG Kaleidoscope 2007 an excellent vehicle to showcase its ORMIT automated migration tool. “ODTUG welcomes Imex Systems to Kaleidoscope 2007. Their participation demonstrates the range of information available at the conference and complements our efforts to provide extensive technical education for our attendees,” said John Jeunnette, ODTUG president.

Imex Systems is a sponsor and exhibitor at Kaleidoscope 2007 and will offer attendees a variety of activities including an informative presentation on Forms to Java Migration, ORMIT automated migration tool demos and test-drive as well as informative collateral on migrating and upgrading forms.
